About The HOUSE

Welcome to Villa Maralto! We're so happy to have you. This place was built to be your home away from home – take your time, breathe in the ocean air, and don't hesitate to reach out if you need anything.

Hi, we're Carlos & Ana, a couple from Mexico City who fell in love with Tulum and decided to build a place where others could experience the magic too. We've been hosting since 2019 and we genuinely love making people feel at home.
