

ONE-TIME PAYMENT · NO SUBSCRIPTIONS

Everything your guests need, in one link.

A digital welcome guide for your short-term rental — WiFi, check-in, house rules, local recommendations and emergency info. It opens on any phone, with no app and no password. A printable version is included.

What your guests receive

- ◆ WiFi network and password, right where they look
- ◆ Check-in, check-out and access instructions
- ◆ House rules and amenities
- ◆ Local restaurants & recommendations
- ◆ Contact and emergency information
- ◆ English, Spanish and French — all included

How it works

- 1 Fill out a short form**
You answer a few questions about your place. If you already have a PDF or notes, you can attach them to the form.
- 2 We build your guide**
Your welcome book is created with your details, your style and your photos.
- 3 Share one link**
Send it to every guest, or print the QR and leave it in the property.
